## TRAINING

On August 1st, Wednesday, the training area is close to the event centre, in Druskininkai forest. Terrain is similar to the Stage 3 and Stage 4 events. Control flags only.

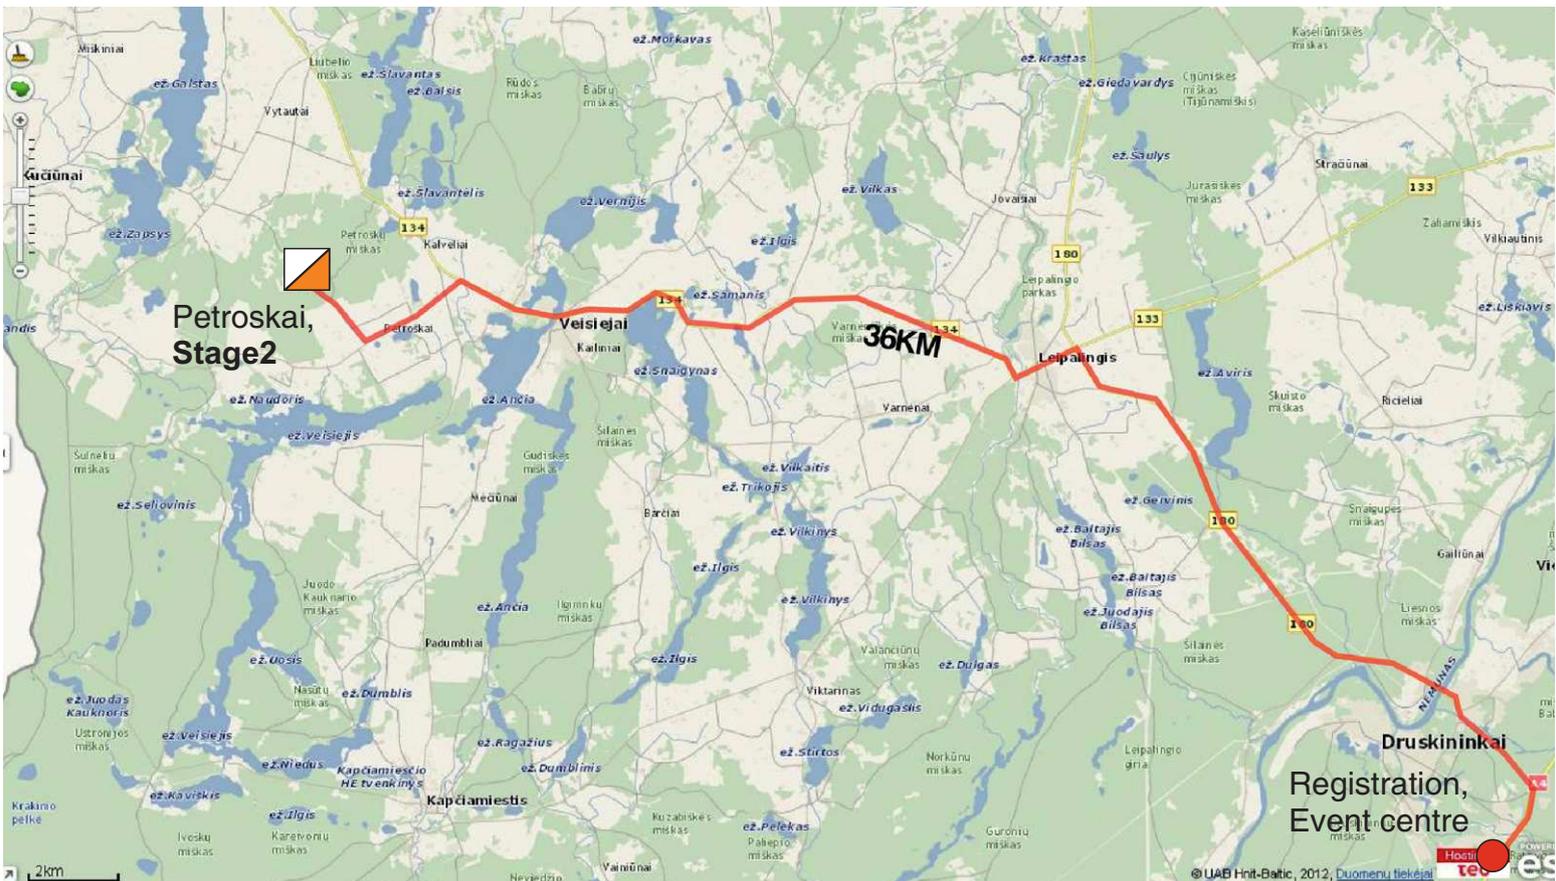

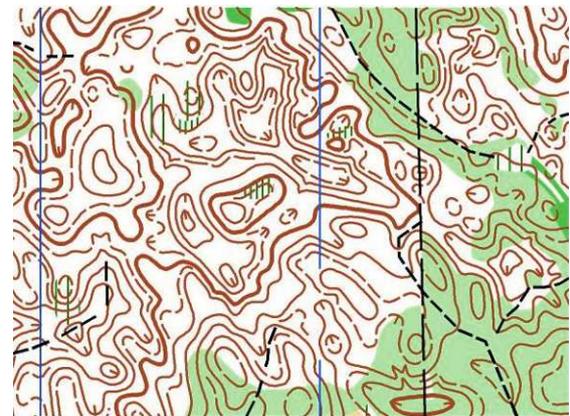

Training maps will be sold at the Event Centre. 1 map = 1.50 Eur (5.00 LTL)

## STAGE2: Long distance event

**Map:** Petroskai  
**Scale:** 1:10 000  
**Contour interval:** 2,5m

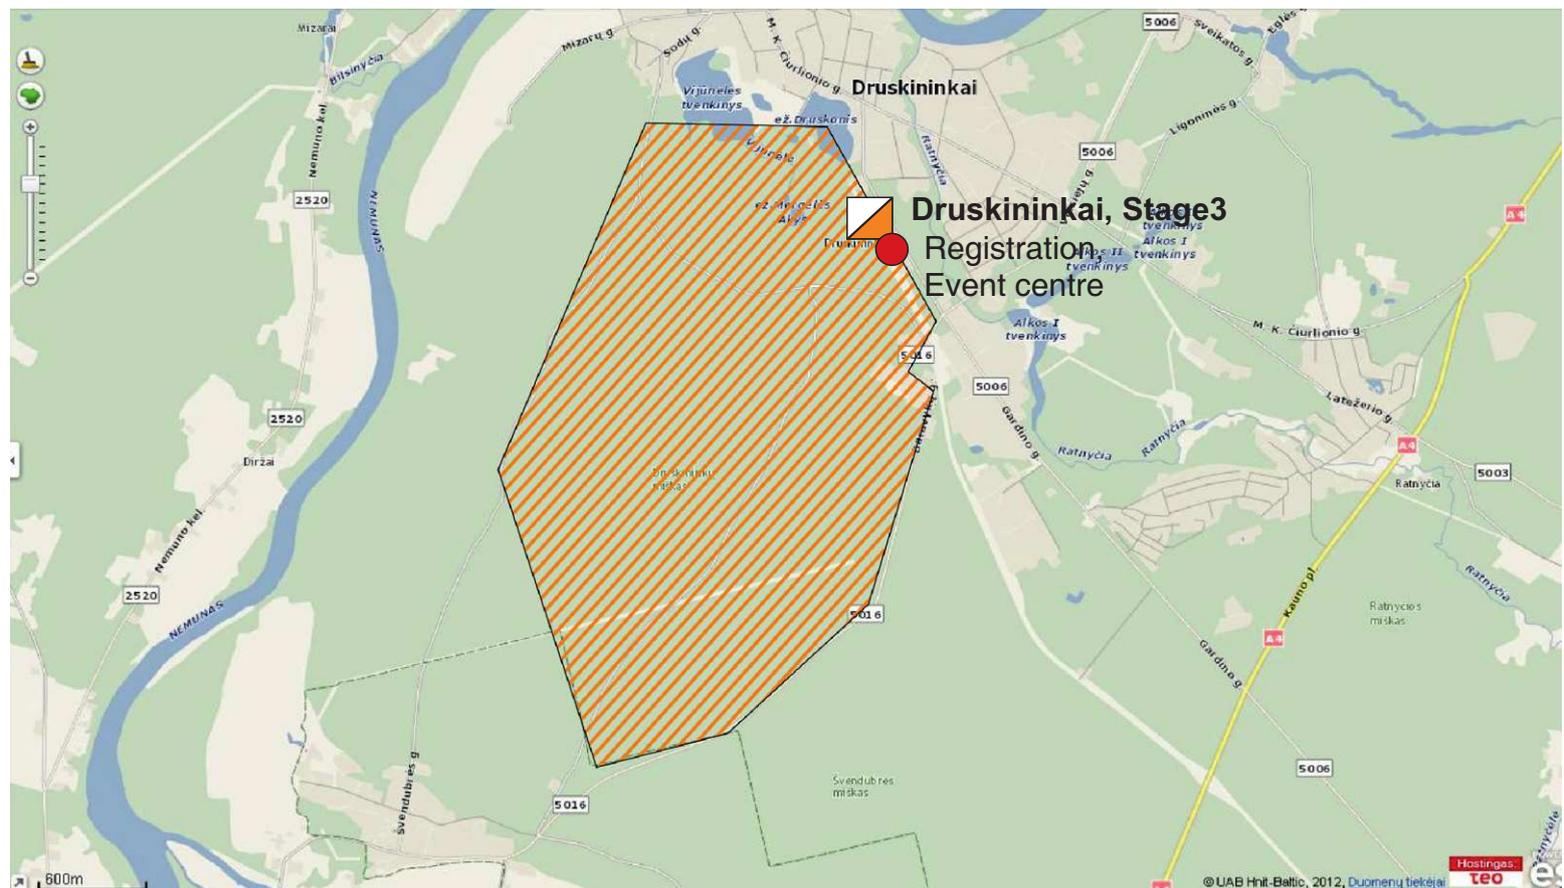

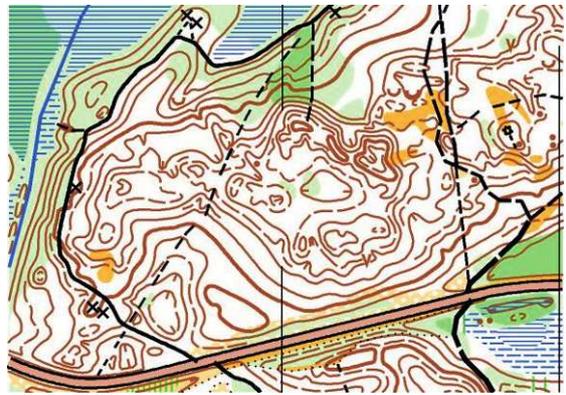

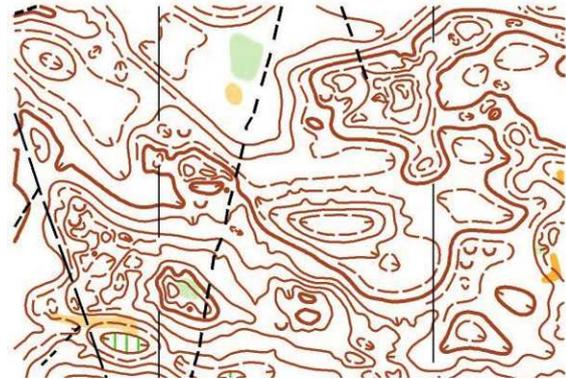

**Terrain:** Typical Lithuanian terrain with mixture of deciduous and coniferous forest with many relief details, especially depressions and slopes (15-25m), and few paths. Runability is mostly average, visibility is restricted.

## STAGE3: Shortened long distance event

**Map:** Druskininkai  
**Scale:** 1:10 000  
**Contour interval:** 2,5m

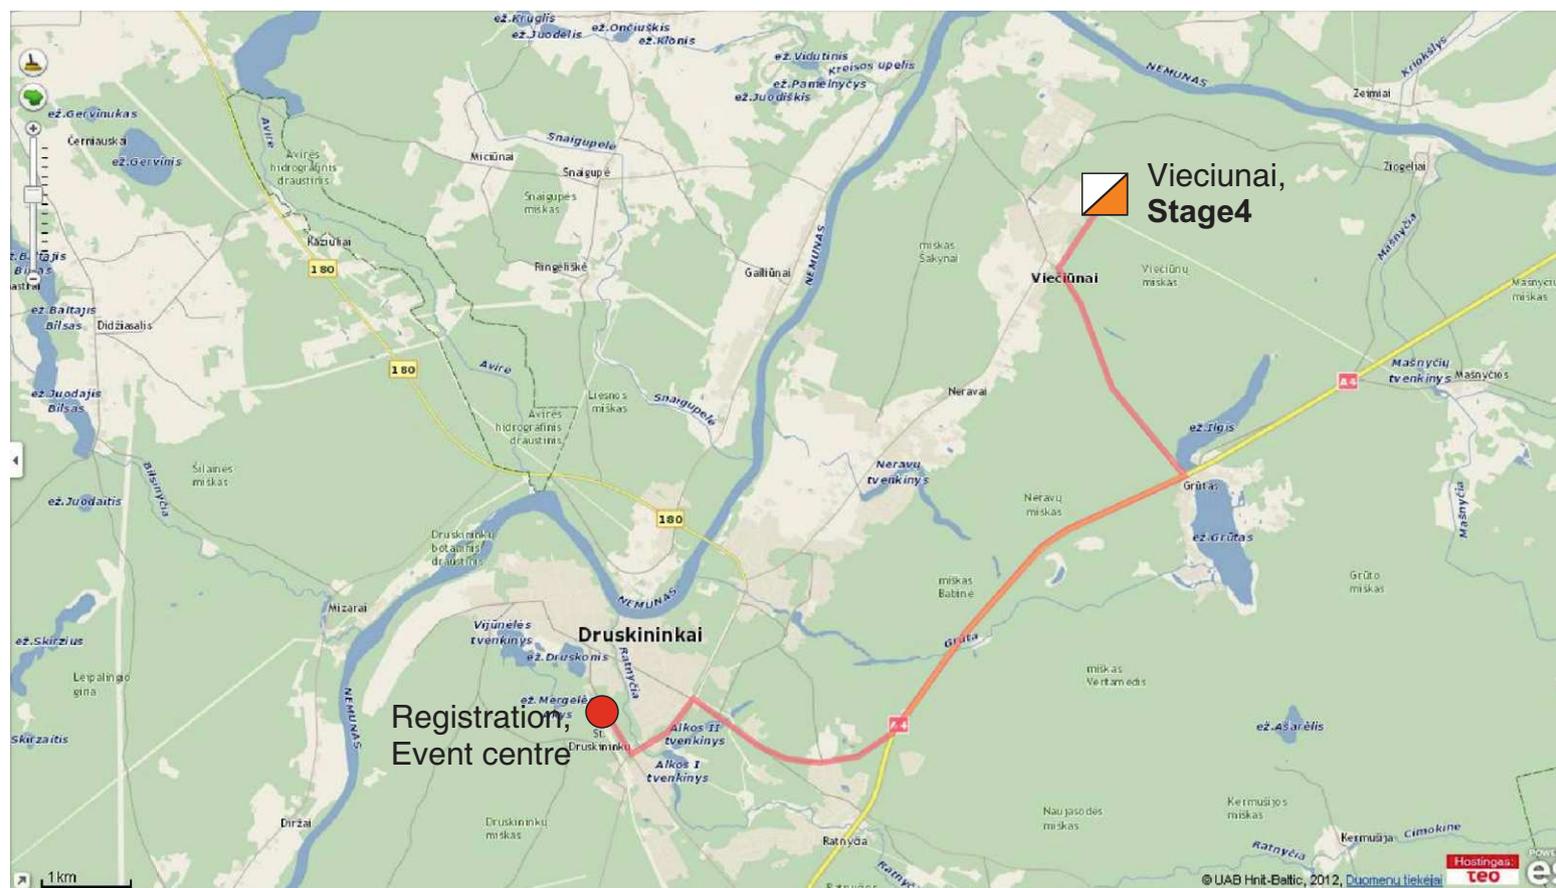

**Terrain:** Good and fast runnable pine-tree forest with small and middle dune forms. Some slopes near lakes up to 25m. The visibility generally very good. Middle density of paths and rides.

## STAGE4: Shortened long distance event

**Map:** Viečiūnai  
**Scale:** 1:10 000  
**Contour interval:** 2,5m

Good and fast runnable pine-tree forest with small and middle dune forms up to 20m. The visibility generally very good. Middle density of paths and rides.

\* - String courses.

\*\* - Courses for „dummies“. Technically easy routes.

S – Short courses.

Direct courses (DIR) are open. No registration and no start list. Participants start at a time suitable for them. They can choose the course according to their skill irrespective of the age.

## TIME KEEPING

SPORTident electronic punching system will be used. Only M/W8 class will use mechanical punching. It is runner's responsibility to bring the correct SI card and ensure it works. Hired SI card will be available from the event office. Hired SI cards must be returned at the finish on the last day.

SI card rental fee - 1 LTL/day for M/W10-18 classes and 3 LTL/day for remaining classes.

The cost to replace a missing SI card is 100.00 LTL.

## CONTROL DESCRIPTIONS

IOF pictorial symbols' description list will be printed on maps and also made available as loose sheets at the start to runners having a suitable holder.

## RESULTS AND PRIZES

The 1st to 3rd place winners of every stage will be awarded the prizes.

In classes W21E and M21E 1st to 6th place winners will be awarded the sponsor's prizes according to the total score.

In other classes 1st to 3rd place winners will be awarded the sponsor's prizes according to the total score.

Important: the overall O-Festival results are based on points calculated from the running times of each day using formula:

$$\text{Score} = \text{Winner's time} \times 1000 / \text{participant's running time.}$$

Runners that exceed the time limit receive no points the same as non-finishers and disqualified runners. For the overall result the sum of the best 3 scores from 4 applies. If the course is cancelled no scores are counted.
