Classes

Pre-Elite Open (Pre-EO) and Paralympic (Pre-EP) classes

Pre-A Open (Pre-AO) and Paralympic (Pre-AP) classes

Pre-16 Open (Pre-16O) and Paralympic (Pre-16P) classes

Competitors are not divided by gender.

Pre-Elite class- technically challenging courses. It is open to all who would like to start.

Pre-A and **Pre-16** group - technically simple courses. **Pre-16** class are for 16 years and younger participants (born before 1995-08-01), **Pre-A** class are available for everyone who would like to start. Results are calculated for all classes within two groups - Paralympic class participants (people with disabilities) and Open class participants (all participants in the group).

Results and awards

Results are summed up separately for:

Trail-O night event

Trail-O 1, 2, 3 stages

Temp-O 1, 2 stages

Summed up result of Trail-O events will be defined by calculating correct answers in individual stages of the event. If the number of correct answers is equal with any other participant, then the winner would be person, whose the total spent time in time controls is shorter.

If any CP for any reason is canceled, then the answers to the calculation result are not recorded.

In Temp-O courses summed up result is total spent time at both courses plus all penalty time for wrong answers.

In each stage individually winners of 1-3 places will be awarded diplomas. In summed up result (of the whole event) winners of 1-3 places will be awarded with diplomas, medals and memorable prizes. If in a class are only 3 or fewer participants, only winners will be awarded with diplomas.

Open and Paralympic classes will be awarded separately.
